MATCH DAY MASCOTS

At Arbroath Football Club, we make our best efforts to ensure that our mascots have a day to remember. Prior to leading the team out onto the field with the captain, we also give the youngsters a tour of Gayfield and a chance to meet the Manager and some of the players. We also provide the mascot with a signed team sheet and a match day programme with their name in it. There is no charge for being a mascot, however the mascots must wear a current Arbroath FC home or away kit.
